

## Author Visit Honorarium

The following table outlines my standard pricing for school visits. I have also included some potential ways to reduce your costs. I hope we can find an agreement that works for both of us. Please contact me if you have any questions.

	Local	In-state	Out-of-state
Full Day	\$700	\$900	\$1200
Half Day	\$500	\$700	\$1000
Assembly	\$350	\$450	\$500
Skype	\$200 (1 presentation) / \$350 (2) / \$450 (3)		

- Honorariums can be split by nearby schools for same-day presentations.
- Schools that encourage other schools to book half- or full-day visits receive a \$100 discount per referral.
- In-state schools can receive the local price by partnering with at least one nearby school to schedule back-to-back full-day visits.
- Travel expenses are included in the price for local schools. Local schools are within a one-hour drive of Boulder.
- Out-of-state schools can receive the in-state price by partnering with at least one nearby school to schedule back-to-back full-day visits.
- Travel expenses (transportation & lodging) are not included in the pricing for non-local schools. This additional cost can be shared by schools with back-to-back bookings.
